School Year	2020
School	The Dalles High School

### School Direction Section

Vision	Every student feels purpose and value as a member of school community. Every student achieves more than they otherwise thought possible.
Mission	At The Dalles High School, our students strive for excellence and our staff is committed to helping them achieve it.

#### Comprehensive Needs Assessment Summary

What data did our team examine?

AdvancED survey data, aggregate and disaggregate outcome data listed on report cards, data gathered from staff.

How did the team examine the different needs of all learner groups?

By looking at disproportionalities within outcome data. We also looked at discrepancies between parent, student and teacher perceptions.

Were inequities in student outcomes examined?

The most significant inequities in are male female graduation rates and students not receiving college credit in dual credit classes because of financial barriers.

What needs did our data review elevate?

Community and parent perception and socio economic disparities rose to surface.

How were stakeholders involved in the needs assessment process?

284 parents, 57 staff members and 504 students were surveyed.

Which needs will become priority improvement areas? Note: Priorities describe where the team intends to go but do not describe how the team will get there. An example priority might be to improve graduation rates or that all students will meet their growth goals. AVID Schoolwide, Communication, and Attendance
