### **The Dalles High School Alumni Association's New Website!**

A newly redesigned website format to provide our high school alumni with an enhanced website experience where alumni can reconnect, share, find reunion information, and support The Dalles High School. Visitors to <http://www.nwasco.k12.or.us/alumni> will find it easy to collaborate with other alumni by accessing the information they need to stay connected to the North Wasco County School District high schools, including The Dalles High School, Wahtonka High School and The Dalles Wahtonka High School. There are photo galleries of reunion year classes, a bit of high school history, an alumni registry and a "Share Your Story" form for all NWCS D high school alumni.

Visit the **Alumni Association website** today and experience why
